Statement of Material Accuracy

The purpose of the Center for Healthcare Reimbursement is to create an independent, national data center of healthcare reimbursement information. Furthermore, the purpose of this Report is to convey portions of that information or to provide context for some of that data. The Center for Healthcare Reimbursement has taken reasonable effort to ensure that all data is collected, analyzed, and portrayed in an accurate and factual manner. However, the information is provided "as is" without warranty of any kind, either expressed or implied including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.

There is no guarantee that this data is without flaws or that the use of this data will prevent differences of opinion or disputes. The Center for Healthcare Reimbursement will not be liable to you for any direct or indirect damages, including any lost profits, lost savings or other incidental or consequential damages arising out of the use or inability to use this Report even if the Center for Healthcare Reimbursement has been advised of the possibility of such damages, or for any claim by any other party. The Center for Healthcare Reimbursement disclaims any responsibility for any consequences or liability attributable to or related to any use, non-use, or interpretation of information contained or not contained in this Report.

Data Series: 20090415

Insurance Carriers Analyzed

Carrier 1: Aetna
Carrier 2: Anthem
Carrier 3: Humana
Carrier 4: United

In compliance with FTC regulations, all carrier information provided by the practice is compared to regional market averages. No individual carrier information is reported in this report.

Codes Below Average

40

This is the number of carrier/code combinations for which insurance carriers reimburse your practice below market average.

Codes Above Average

41

This is the number of carrier/code combinations for which insurance carriers reimburse your practice above market average.

Reimbursement Loss (Typical)

\$108,479.74

This is the additional revenue that would be generated if all carriers increased your reimbursement for the above 40 under-performing codes to bring them in line with the average in the market.

Reimbursement Loss (High)

\$810,712.58

This is the additional revenue that would be generated if all carriers increased your reimbursement to levels already being paid to 1 in 20 practices in your area.

Carrier Report Card Summary Aetna
